

No	Event name (conference, seminar, workshop, awareness raising, practical training, festival)	Coordination (Faculty, Department)	Event Date	Theme (Subject, Title)	Links/Images of the Event	Links
1	CP 401 Çarşı Jury - 1st Review	IZTECH Faculty of Architecture / Architecture, City and Regional Planning	1 November 2022	Venue: İZBB Meslek Fabrikası		
2	Research Seminars-II: Lime Mortar and Plaster Characteristics of Some Byzantine Period Buildings in Kadıkalesi (Anadolu) and Aysuluk Hill	IZTECH Department of Conservation and Restoration of Cultural Heritage	1 November 2022	Within the scope of RES597 Research Seminar course, Res Assist. Tuğçe İşık made a presentation about Lime Mortar and Plaster Characteristics of Some Byzantine Period Buildings in Kadıkalesi (Anadolu) and Aysuluk Hill.		
3	Friday Seminars: Circular Business Models	IZTECH Faculty of Architecture / Architecture, City and Regional Planning	4 November 2022	Circularity and its application in the development of business models for a more sustainable economic development Speaker: Müge NURGÜN, Sustainability & Circular Economy Consultant		
4	Research Seminars-III: Seismic Vulnerability Assessment of Bergama Bedesten	IZTECH Department of Conservation and Restoration of Cultural Heritage	8 November 2022	Within the scope of RES597 Research Seminar course, Res Assist. Ayşeğül Demir made a presentation about Seismic Vulnerability Assessment of Bergama Bedesten.		
5	Fundamentals of Sustainable Infrastructure & Circular Economy and Structural Engineering for a Sustainable World, Workshop Sponsored by EU Erasmus+Project	IZTECH Department of Civil Engineering	9-11 November 2022	İYTE TAM Konferans Salonu		
6	Sapling Planting Event	IZTECH Rectorate	11 November 2022	A sapling planting event was held in front of the Molecular Biology and Genetics Department building with the participation of IZTECH academic and administrative staff and students.		<a href="https://bulten.izte.edu.tr/2022/11/11/zidan-ekim-etkinligimiz-gerceklesti/">https://bulten.izte.edu.tr/2022/11/11/zidan-ekim-etkinligimiz-gerceklesti/</a>
7	Seminar: Food Preservation Performance Criteria for the Food Cold Chain: An Essential Step to reach Zero Hunger in Turkey & the World	IZTECH Department of Food Engineering	15 November 2022	Antonio Torres gave a seminar titled "Food Preservation Performance Criteria for the Food Cold Chain: An Essential Step to reach Zero Hunger in Turkey & the World" to the undergraduate and graduate students of our department.		<a href="https://food.izte.edu.tr/etkinlik/gida-isleme-konusunda-performans-kriterileri-semineri/">https://food.izte.edu.tr/etkinlik/gida-isleme-konusunda-performans-kriterileri-semineri/</a>
8	Research Seminars-IV: Conservation of Silos as Rural and Industrial Heritage Places: Principlesfor the Turkish Grain Board Silo in Ankara Governorlik	IZTECH Department of Conservation and Restoration of Cultural Heritage	15 November 2022	Within the scope of RES597 Research Seminar course, Res Assist. Nihan Bulut made a presentation about Conservation of Silos as Rural and Industrial Heritage Places: Principlesfor the Turkish Grain Board Silo in Ankara Governorlik.		
9	Friday Seminars: In Search of Local Modernism: Istanbul Textile Traders Market (İMC)	IZTECH Faculty of Architecture / Architecture, City and Regional Planning	18 November 2022	Title: In Search of Local Modernism: Istanbul Textile Traders Market (İMC) Speaker: Dr. İdil Erkol		
10	Women of Peninsula Bring Life to the Mastic Tree.	IZTECH & İzmir İl Tarım ve Orman Müdürlüğü	21 November 2022	The opening ceremony of the project and the planting of mastic tree saplings were held. Within the scope of the event, 200 mastic tree saplings were planted in the area allocated to the project by IZTECH.		<a href="https://bulten.izte.edu.tr/2022/12/03/yarima-da-kadinlari-sakiz-agacina-can-kattiror-projesi-baslatildi/">https://bulten.izte.edu.tr/2022/12/03/yarima-da-kadinlari-sakiz-agacina-can-kattiror-projesi-baslatildi/</a>
11	Research Seminars-V: Conservation Proposals for Göbekli Tepe Enclosures	IZTECH Department of Conservation and Restoration of Cultural Heritage	22 November 2022	Within the scope of RES597 Research Seminar course, Res Assist. Kezban Çelik made a presentation about Conservation Proposals for Göbekli Tepe Enclosures.		
12	A Sustainable Future Workshop with Smart Agriculture Applications	IZTECH & TAGEM	24-25 November 2022	Within the scope of the workshop, Smart Agricultural Techniques that will shape the future of agriculture in today's world, where conventional agricultural techniques are transformed by modern and smart technologies supported by artificial intelligence, were discussed.		<a href="https://izte.edu.tr/en/iletisim/akill-tarim-uzun-uzam-ile-surtunulebilir-bir-gelecek-calisilari/">https://izte.edu.tr/en/iletisim/akill-tarim-uzun-uzam-ile-surtunulebilir-bir-gelecek-calisilari/</a>
13	GEDİZ International Gediz and Aegean River Basins Symposium	IZTECH TAMİKAM & GEMA & İZSU ...	2022.11.28-29	At the symposium, strategies to be followed for the sustainability of our basins flowing into the Aegean Sea, especially the Gediz Basin, institutional and legal regulations to strengthen coordination and participation in water basin management, studies on basin management planning and practices carried out in water basins by different institutions and organizations, basin information base, monitoring and strategies for strengthening evaluation capacities and establishing a common monitoring and evaluation system for basin management are discussed.		<a href="https://www.gedizsem2022.org.tr/Anasayfa/index">https://www.gedizsem2022.org.tr/Anasayfa/index</a>
14	CP 401 Çarşı Jury - 2nd Review	IZTECH Faculty of Architecture / Architecture, City and Regional Planning	2022.11.29	In the fall semester of 2022-2023, as a team consisting of the IZTECH Architecture and Urban Planning Departments, we carried out a project focused on İzmir Yenişehir Food Bazaar and its immediate surroundings with the theme of "circularity" in the multidisciplinary 4th grade Urban Design Studio consisting of students from both departments. In this process, we completed the research project supported by İZKA, of which İZDoğa is the beneficiary.		
15	Research Seminars-VI: Preparation of a Historic Urban Area Against Possible Destruction, The Case of Uzunçarşı, Antakya	IZTECH Department of Conservation and Restoration of Cultural Heritage	2022.11.29	Within the scope of RES597 Research Seminar course, Res Assist. Sezgi Mamaklı made a presentation about Preparation of a Historic Urban Area Against Possible Destruction, The Case of Uzunçarşı, Antakya.		
16	Innovative and Sustainable Structural and Architectural Technologies in Construction Chemicals	IZTECH Department of Architecture	2022.12.01	Psychological First Aid and Field Ethics in Disasters		
17	Research Seminars-VII: Identity Based Sustainable Conservation Strategies in Rural Heritage	IZTECH Department of Conservation and Restoration of Cultural Heritage	2022.12.06	Within the scope of RES597 Research Seminar course, Res Assist. Zeynep Özkaya made a presentation about Identity Based Sustainable Conservation Strategies in Rural Heritage		
18	Research Seminars III - Exploring Rural Production Areas: How to develop a socio-ecological approach to planning?	IZTECH Department of Architecture	2022.12.09	Urban and regional studies generally address rural production areas through physical planning, sectoral development and regional development approaches. Considering production areas as socio-ecological systems can pave the way for developing a transdisciplinary approach that considers both social and ecological processes. Within the scope of this seminar, how rural production areas can be regarded as a socio-ecological system in planning will be discussed with the participants.		
19	Research Seminars-VIII: Water Heritage for Future: The Groundwater Route of Peninsula (İzmir, Turkey)	IZTECH Department of Conservation and Restoration of Cultural Heritage	2022.12.13	Within the scope of RES597 Research Seminar course, Res Assist. Selen Güler made a presentation about Water Heritage for Future: The Groundwater Route of Peninsula (İzmir, Turkey).		
20	AKUT Earthquake Training	IZTECH Continuing Education Centre	2022.12.15	Presentations in the AKUT Earthquake Training organised by IZTECH Continuing Education Centre in the Integrated Research Centres, were made by the Search and Rescue Association (AKUT) İzmir team on what to do before, during and after the earthquake.		
21	CP 401 Çarşı Jury - 3rd Review	IZTECH Faculty of Architecture / Architecture, City and Regional Planning	2022.12.20	Venue: Mimarlar Odası İzmir Şubesi		
22	Research Seminars-IX: Deciphering and Forecasting Characteristics of Bodrum Houses Using Artificial Intelligence (AI) Approaches	IZTECH Department of Conservation and Restoration of Cultural Heritage	2022.12.20	Within the scope of RES597 Research Seminar course, Res Assist. Mustafa Veli Yönder made a presentation about Deciphering and Forecasting Characteristics of Bodrum Houses Using Artificial Intelligence (AI) Approaches		
23	Research Seminars IV - Sustainable Green Campus: Model of IZTECH	IZTECH Department of Architecture	2022.12.23			

24	CP 401 Çarşı Jury - Final Review	IZTECH Faculty of Architecture, Architecture, City and Regional Planning	2023.01.12	Venue: IZTECH Department of Architecture		
25	Waste Characterisation Study for Sustainable Waste Management in the IZTECH Gebze Campus	IZTECH Department of Environmental Engineering	2023.01.14	Determination of waste fractions in the collected waste on the campus		<a href="https://www.instagram.com/reel/Crw610yJfPw/">https://www.instagram.com/reel/Crw610yJfPw/</a>
26	Sectoral Sustainability and Industrial Symbiosis Workshop	Department of Materials Science and Engineering	2023.02.07	Aluminium recycling-end of waste criteria		<a href="https://endustriyelismihyor.ikv.itka.org.tr/zmir-sektor-el-surdurulebilirlik-ve-endustriyel-simbioz-cabaliy-orteklestiri/">https://endustriyelismihyor.ikv.itka.org.tr/zmir-sektor-el-surdurulebilirlik-ve-endustriyel-simbioz-cabaliy-orteklestiri/</a>
27	Psychological Effects of Earthquake and Approach to Affected People	IZTECH Rectorate	2023.02.21	Assoc. Prof. Dr. Defne Eraslan held an online presentation on the psychological effects of the earthquake and how we should approach disaster victims affected by the earthquake.		
28	Lessons learned in the recent earthquakes' aftermath	IZTECH Department of Architecture	2023.03.06	The reasons for the huge damage that occurred after the earthquakes on 6 February and what we learned from the disaster were discussed.		
29	International Women's Day Program	IZTECH Rectorate	2023.03.08	Within the scope of the International Women's Day program, Rector Prof. Dr. Yusuf Baran and Psychiatrist Prof. Dr. Nesihan İnal will participate as speaker.		
30	Earthquake Awareness Seminar	IZTECH Civic Engagement Project Coordination Unit	2023.03.16	"Earthquake Awareness Seminar", the first event of the series for Earthquake Awareness and Search and Rescue activities in cooperation with AKUT and Social Responsibility Projects Coordinatorship, will be held on Thursday, March 16, 2023 at 12:30 pm in the seminar hall of the Integrated Research Center.		
31	Post-Disaster Seminars-I: Mistakes made in architectural design, responsibilities of architects for earthquake resistance Speaker: Prof. Dr. Cemalettin Dönmez	IZTECH Department of Architecture	2023.03.20	Prof. Dr. Cemalettin Dönmez, Prof. Dr. Nurhan Ececi and Assisat. Prof. Dr. Uğur Demir who took part in damage assessment in the earthquake zone, Assisat. Prof. Dr. Canberk Yurt who participated in search and rescue operations and Mesut Dönmez who participated in humanitarian aid operations will share their impressions from the earthquake zone and their suggestions for the future in the light of these impressions. After the speeches of the participants, the event will be opened to questions from the audience.		
32	Post-Disaster Seminars-I: Earthquake Effects of Ground - What architects and planners need to know about ground Speaker: Prof. Dr. Nurhan Ececi	IZTECH Department of Architecture	2023.03.20			
33	Post-Disaster Seminars-I: Izmir building stock and earthquake risk mitigation proposals Speaker: Assisat. Prof. Dr. Uğur Demir	IZTECH Department of Architecture	2023.03.20			
34	Post-Disaster Seminars-I: Civilian volunteering in disasters Speaker: Assisat. Prof. Dr. Canberk Yurt	IZTECH Department of Architecture	2023.03.20			
35	Post-Disaster Seminars-I: Effects of Soil on Earthquake - What architects and planners need to know about soils Speaker: Mesut Dönmez	IZTECH Department of Architecture	2023.03.20			
36	Panel: Water at the Intersection of Diplomacy and Science	IZTECH Department of International Water Resources	2023.03.22	International panel organized by IZTECH Department of International Water Resources within the UN 2023 Water Conference		<a href="https://www.izte.edu.tr/wp-content/uploads/sites/175/2023/03/Brochur-izTech-Turkey-22March2023.pdf">https://www.izte.edu.tr/wp-content/uploads/sites/175/2023/03/Brochur-izTech-Turkey-22March2023.pdf</a> <a href="https://www.izte.edu.tr/duyuru/bilim-ve-diplomasinin-kesiminde-su-etkinligi-22-mart-2023">https://www.izte.edu.tr/duyuru/bilim-ve-diplomasinin-kesiminde-su-etkinligi-22-mart-2023</a>
37	Disaster awareness seminar	IZTECH Civic Engagement Project Coordination Unit	2023.03.23	The "Disaster Awareness Seminar" will be held face-to-face on Thursday, March 23, 2023 at 14:30 in the seminar hall of the Center for Integrated Research and will be broadcast hybrid on the Social Responsibility Projects Teams channel.		
38	IZTECH VIII. EDUCATION WORKSHOP: "Sustainable Education in Disaster Situations" Panel: A Different Perspective on University Education: The Case of Kadir Has University	IZTECH Education Committee	2023.03.24	In the scope of 8th Education Workshop: "Sustainable Education in Disaster Situations", Prof. Dr. Sonda Durukanöglü Feyiz attended as a first speaker.		
39	IZTECH VIII. EDUCATION WORKSHOP: "Sustainable Education in Disaster Situations" Panel: Transformation in Architectural Education after Earthquakes	IZTECH Education Committee	2023.03.24	Assoc. Dr. Albuğ Kasalı from the Department of Architecture held the panel about the changes in architectural education after the earthquakes.		
40	IZTECH VIII. EDUCATION WORKSHOP: "Sustainable Education in Disaster Situations" Panel: Psychosocial Support in Post-disaster Period	IZTECH Education Committee	2023.03.24	Psychologist Gizem Şahan made a presentation on psychological problems and psychosocial support after disasters.		
41	IZTECH VIII. EDUCATION WORKSHOP: "Sustainable Education in Disaster Situations" Panel: Education Process in the Post-Disaster Period	IZTECH Education Committee	2023.03.24	Psychologist Assoc. Prof. Dr. Zümrüt Gedik made a presentation on the Education Process in the Post-Disaster Period.		
42	March 30th International "Zero Waste Day" Online Panel: Domestic Solid Wastes Generated in IZTECH Campus: What, How Much, Where, How?	IZTECH Department of Environmental Engineering	2023.03.30	Presentation that is named "Domestic Solid Wastes Generated in IZTECH Campus: What, How Much, Where, How?" held by Assisat. Dr. Hale Demirtipe.		
43	March 30th International "Zero Waste Day" Online Panel: Integrated Waste Management Hierarchy and Importance of Recycling	IZTECH Department of Environmental Engineering	2023.03.30	Presentation that is named "Integrated Waste Management Hierarchy and Importance of Recycling" held by Assisat. Dr. Mehmet Ali Küçüker.		
44	Disaster Mitigation Strategies for Existing Building Stock	IZTECH Faculty of Architecture	2023.04.12	The seminar were held by Assisat. Prof. Dr. Uğur Demir as a part of the courses AR526 and AR627.		
45	Post-Disaster Seminars-II: Rant Kills, Not Earthquake	IZTECH Faculty of Architecture	2023.04.14	Post-Disaster Seminars continue with Prof. Dr. Yasuv Duvuro's presentation titled "Rant Kills, Not Earthquake".		

46	IZTECH Sustainable Green Campus Seminars: Healthy and Sustainable Buildings	IZTECH Department of Architecture	2023.04.17	Healthy and Sustainable Buildings & Green Building Rating Systems Speaker: Gonca Yilmaz, M.Sc. Architect		
47	Seminar: Gender of Disaster	IZTECH Civic Engagement Project Coordination Unit	2023.04.19	An online seminar titled "Gender in Disaster" was organized by Dr. Aytegin Deniz, Lecturer at Hacettepe University, Department of Basic Education.		
48	Panel: Future of Renewable Energy and Career Opportunities	IZTECH Department of General Cultural Courses	2023.04.23	Within the scope of GCC101 Career Planning Course, the "Future of Renewable Energy and Career Opportunities" programme was held with a great participation. The event, which was attended by experts in renewable energy, which has an important place in the energy sector, guided the students in their career planning.		<a href="https://bulten.iyte.edu.tr/2023/04/28/avnilenebilir-enerjinin-gelecegi-ve-kariyer-olanaklari-programi-gerceklestirildi/">https://bulten.iyte.edu.tr/2023/04/28/avnilenebilir-enerjinin-gelecegi-ve-kariyer-olanaklari-programi-gerceklestirildi/</a>
49	Psychological First Aid and Field Ethics in Disasters	IZTECH Civic Engagement Project Coordination Unit	2023.05.08	Dr Ayça ÜLKER from Hacettepe University Preschool Education Department will give a "Psychological First Aid and Field Ethics in Disasters" seminar.		
50	WeCycle: 2nd Environment & Recycle Technologies Expo	IZTECH Department of Environmental Engineering	2023.05.09-11	Department of Environmental Engineering attend the expo.		
51	PolyChem Seminars: Water-based inks and sustainable packaging solutions	IZTECH Department of Chemical Engineering	2023.05.21	Sun Chemical company, Water-based R&D technical manager Caner Uzel presented within the scope of PolyChem seminars.		
52	IZTECH Mapping Seminars: 'Olive Road and Local Development'	IZTECH Department of Architecture	2023.05.23	---		
53	IZTECH Mapping Seminars: 'Analysing Citizen Design Science Projects in the Context of Participatory Approaches: Examples from Turkey'	IZTECH Department of Architecture	2023.05.23	---		
54	IZTECH Mapping Seminars: 'Citizen Science on the Axis of Nature and Culture'	IZTECH Department of Architecture	2023.05.23	---		
55	IZTECH Mapping Seminars: 'Olive and Olive Growing'	IZTECH Department of Architecture	2023.05.23	---		
56	IZTECH Mapping Seminars: 'Creating Olive Inventory with Free Mapping Tools'	IZTECH Department of Architecture	2023.05.23	---		
57	IZTECH Mapping Workshops: Olive Threes	IZTECH Department of Architecture	2023.05.23-24			
58	Integrated Disaster Management	IZTECH Civic Engagement Project Coordination Unit	2023.05.24	The third seminar on Disaster Awareness and Search and Rescue will be held in collaboration with AKUT and the Civic Engagement Projects Coordinatorship. The third event of this series, "Integrated Disaster Management" will be held on Wednesday, May 24, 2023, at 14:30, in the seminar hall of the Integrated Studies Center (TAM). The seminar will be presented in English by Gülün Ege.		
59	Conference: "Water Days"	Goethe-Institut Izmir & IZTECH	25-26 May 2023	The Goethe-Institut Izmir organized the conference "Our Water - Water Days Izmir" to draw attention to the sustainable use of water. The conference, which brought together Turkish-German experts and entrepreneurs, discussed the importance of water for the future of our planet, with a focus on Izmir. Assoc. Prof. Dr. Halice Eser Öksüz, the Director of the International Office and faculty member of the Department of Environmental Engineering, and Dr. Nihal Saygın, a faculty member of the Department of Urban and Regional Planning, participated as speakers in the "Scientific Perspectives" panel of the conference. The panel, moderated by Dr. Bengül Aydın Dikmen from the International Office, addressed the topics of "nature-based solutions to the water crisis" and "sustainable water management."		<a href="https://iyo.iyte.edu.tr/en/haber/iztech-faculty-members-attended-the-water-days-conference-organized-by-goethe-institut-izmir/">https://iyo.iyte.edu.tr/en/haber/iztech-faculty-members-attended-the-water-days-conference-organized-by-goethe-institut-izmir/</a>
60	Ink and Sustainability in Paper and Cardboard Packaging	IZTECH Department of Chemical Engineering	2023.05.30	You are invited to the seminar "Ink and Sustainability in Paper, Cardboard Packaging" with Melis Türkayener Çelebi, research and development team leader at TOYOINK and a graduate of IZTECH Chemical Engineering.		
61	Post-Disaster Seminars-III: Post-Disaster Reconstruction: Collective Construction Process with Natural Materials	IZTECH Faculty of Architecture	2023.05.31	As part of Post-Disaster Seminars III, Popolana Works will share the Kahramanmaraş Community Center Project as a Catalyst for Post-Disaster Reconstruction, post-disaster reconstruction practices, and the use of natural materials and collective building processes within these practices.		
62	Technical Trip to Urla Wastewater Treatment Plant	IZTECH Department of Environmental Engineering	2023.06.02	On June 2, 2023, we traced microplastics in Urla Wastewater Treatment Plant with Avni Kaya Kokuçu Primary and Secondary School students as a part of "Hear from Seas - Coping with Microplastics" project of Department of Environmental Engineering.		
63	Seminar: Towards a more sustainable conservation of heritage	Department of Conservation and Restoration of Cultural Heritage	2023.06.08	Speaker: Duygu Ergenç		
64	Evaluation of Izmir Yenisehir Trade Centre and its Close Environment in terms of Circular City Principles R&D Project and Results Launch Event	IZTECH Faculty of Architecture / Architecture, City and Regional Planning	2023.06.10	Venue: Ahmet Adnan Saygun Sanat Merkezi		
65	Autism awareness bazaar	IZTECH & EBKOV	2023.06.14	On June 14, we will organize a bazaar with EBKOV (Foundation for the Protection and Education of Individuals with Disabilities) at IZTECH Exhibition Center. In this event, we aim to raise awareness of autism and to exhibit and sell products produced by individuals with autism. The proceeds from the sales will be donated to support EBKOV's valuable work for the protection and education of people with disabilities.		
66	25th National Biology Congress	IZTECH Department of Molecular Biology and Genetics	2023.07.13-15	All fields of Biology (such as Biochemistry, Molecular Biology Genetics, Food-Agriculture-Aromatic Plants, Wildlife-Aquatic Biology, etc.) are included in our congress, and main sessions are organized for the following fields. In each session, important topics will be presented by expert speakers.		<a href="https://ubikon2023.org/">https://ubikon2023.org/</a>
67	EPA Workshop, with faculty and students from Politecnico di Milano, IZTECH, and Izmir University of Economics	Departments of Architecture and City Planning	2023.07.14-08.04	Karşıyaka Tersane Neighborhood was examined and recommendations were developed for its re-planning as a climate resilient city. The resilience of the created city model against climate change was tested with simulations and savings in resources, time and labor were investigated.		
68	IZTECH High School Science Camp	IZTECH Education Committee	2023.07.17-28	It invites the university students of the future to a great educational feast at our country's only institute of technology with workshops suitable for 21st-century skills under the themes of Science, Technology, Art, and Sports. The workshops include courses such as "Solar Cell Characterization" and "Global Warming: Carbon Footprint" among the courses.		<a href="https://iyebilimkampi.iyte.edu.tr/">https://iyebilimkampi.iyte.edu.tr/</a>

69	1st National Congress on Innovative Approaches in Food Science and Technology	IZTECH	2023.08.28-29	The congress aims to address innovative technological approaches, product design and development, and green and environmentally friendly processes.		
70	Workshop-Youth Unveil Hidden Treasures of Historical Izmir Through Creative Mapping	IZTECH & TARKEM & Demir Eneji	2023.09.05	The workshop aimed to foster creative expression, collaborative storytelling, and a deeper understanding of the relationship between subjective experiences and shared perspectives. It comprised two steps: (1) personal cognitive mapping during a site trip to Kemeraltı and (2) the transformation of individual maps into a collective map.	 	
71	Workshop- Types of Microplastics on the Shores of GÜlbahçe Bay	IZTECH Department of Environmental Engineering	2023.09.06	We conducted a field study with the students of Koruncukköy Uta to determine the types of microplastics accumulated on the shores of GÜlbahçe Bay as a part of "Hear from Seas - Coping with Microplastics" project of Department of Environmental Engineering.		
72	The 5th International/34th National Biophysics Congress	IZTECH	2023.09.06-09	The 5th International/34th National Biophysics Congress will cover all aspects of biophysical studies, including medical, life, physical, experimental and computational sciences.		
73	Coastal Cleaning Event	IZTECH Department of Environmental Engineering	16 September 2023	As part of the International Coastal Cleanup Day, a coastal cleaning event will be held by "Hear from Seas - Coping with Microplastics" project of Department of Environmental Engineering, in Uta Demirci Bay on September 16.		
74	Faculty Seminar Series: Planning and Management of Water Resources in terms of Sustainable Development	IZTECH Department of City and Regional Planning	22 September 2023	On 22 September, there will be an online presentation by Dr. Sahar Pouya from Istanbul Technical University titled "Planning and Management of Water Resources in Terms of Sustainable Development" moderated by Prof. Dr. Menelaos Gkartziou.		
75	Seminar: Lab Waste Day	IZTECH Department of Environmental Engineering	26 September 2023	Within the scope of Lab Waste Day, an online seminar will be held on 26 September 2023 between 10.00-11.00 by the project team "Hear from Seas - Coping with Microplastics" with the aim of developing new methods to reduce plastic waste in laboratories at IZTECH.		
76	5th International Environmental Chemistry Congress	IZTECH Department of Chemical and Environmental Engineering	30 September - 1 October 2023	Environmental Chemistry		
77	Engineering for Sustainability: Solutions Workshop	IZTECH Ecomotion Community & Sustainability Steps Association & Grundfos	24 October 2023	The Responsible Engineers of Sustainability project, carried out by the Sustainability Steps Association and Grundfos with the support of the Poul Due Jensen Foundation, aims to draw attention to the relationship between sustainability and engineering and to enable young engineers to produce solutions to environmental and social problems. In the Izmir Solutions Workshop, which will be carried out in cooperation with the Izmir Institute of Technology Ecomotion Student Community, we will produce creative and innovative solutions on the topics of "Water Use and Management", "Energy Efficiency", "Waste Management", "Climate Adaptation and Resilience of Cities" and "Impacts of Climate Change on Women and Girls".
